Notice of Discontinuation

Reference: PDR011

Date Issued: 14.07.2026

Please be advised that the following product(s) have now been discontinued and are no longer in Production.

We currently have limited stock remaining, which is available while stocks last. Once the remaining inventory has been sold, we will be unable to accept any further orders.

We apologise for any inconvenience this may cause and recommend reviewing the available alternative products within the Marsden range.

Product(s) affected:

Product/Item Name	Product/Item Code
Blood Pressure Monitor with integrated ECG	BP2

Reason for discontinuation:

Following a review of our product portfolio, this product has been identified as no longer offering the best overall value compared with other available alternatives.

As a result, we are making changes to our product range to ensure we continue to provide customers with high-quality, competitively priced solutions.

Replacement parts and spare components will be available for up to one year after all remaining stock of the discontinued product has been sold, subject to stock availability.

Marsden Weighing Group appreciates your custom and looks forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are eager to work with you for alternative supply of our high-quality products and services.
