## Marsden V-250: A large, stainless steel wash-down weighing platform

The **Marsden V-250** is a high capacity floor scale with a super-size base, ideal for weighing countless types of goods of all sizes.

### Built with practicality in mind

This large floor scale has a **stainless steel top plate** meaning that the scale can be easily wiped down. A **rubber mat** provides extra stability when items are placed on the scale.

### Easy to use functions

The V-250 has been **designed for simple, accurate weighing**. There is a **large, clear LCD display** for the weight reading, and four function buttons, For **Tare** (to **remove unwanted weight** from the display) and **Hold** (to **stabilise the weight reading**).

## Use it anywhere you need

An internal rechargeable battery means this scale can be used absolutely anywhere. An AC adaptor is also provided with the scale for charging and powering from the mains.

## Key features

Stainless steel wipedown base  
Large easy to read LCD display  
Tare and Hold functions  
Weighs in kg or lb  
Wall bracket for mounting indicator

## Get peace of mind with a service contract

Like all Marsden floor scales, you can keep your V-250 **accurate and reliable for longer** with a **service contract**. For more information about service contracts please contact us.
