PRE-ACQUISITION QUESTIONNAIRE (PAQ Form)

The purpose of this Form is to provide information to a NHS organisation about a Medical Device(s) which the NHS organisation shall then use to inform its preacquisition planning and approval of proposals to procure such Medical Device(s) – whether by purchase, exchange, rental, lease, loan, donation or other agreement. (Note: The term 'Device' as used here includes equipment, systems and accessories. In the case of systems the requirements below apply both to the individual constituent Devices and to the configured system as a whole. Accessories within the scope of this Form need to be identified under 1(d).)

Please ensure that all relevant sections have been completed and that all supplementary information requested has been provided, (shaded boxes 🔲 indicate that supplementary information is required); questions for which the only available response is 'YES' indicate that this response is a requirement, if the question applies.
